**WELCOME NEW  
TALL PINES OWNERS!**

The Tall Pines Community sends a warm welcome to Ruxton Village owners **Linda Hagenseker and Joseph Salazar**

Wishing you many HaPpY Years in Tall Pines!

**HOLD OFF SOD PLANTING IN TALL PINES**

The Tall Pines Board of Directors advises, due to watering restrictions, that owners are advised not to install new sod at this time.

Please try not to apply to your Community Architectural Review Committee (CARC) now to install sod. We are in a severe drought and you are asked to wait a few months until the summer rainy season. No one will receive a violation for dead sod at this time.

Tall Pines President Jill Bell spoke with a landscaper who recommends St. Augustine sod for our area.

Please remember to keep your property in compliance with your ARC documents to maintain curb appeal. Also many people have dead plants in pots, and many weeds in garden beds. Please make sure to take care of these issues.

**DROUGHT INFORMATION\*\***

There is a drought in Pasco County, therefore any potable water (Your hose) watering is limited by your address as follows:

<b>If your house number ends in:</b>	<b>Then you may only water on:</b>
0 or 1	Monday
2 or 3	Tuesday
4 or 5	Wednesday
6 or 7	Thursday
8 or 9	Friday
Mixed Address or No Address	Friday
Non-Watering Days	Saturday and Sunday

**Water Restrictions Using Potable, Well, or Surface Water**  
**Watering is only permitted between 6 p.m. - 8 a.m.**

**New landscape material may be watered for a 60-day establishment period**

**Residential Car Washing - Fountain Operation - Pressure Washing**

No HOA or other entity shall enforce deed restrictions or other community standards requiring an increase in water use, including replacement of plant material to meet aesthetic standards or pressure washing, per Phase II Modified Water Shortage Order effective Feb. 8 – July 1, 2026.

Annual pressure washing or in preparation for painting and sealing is allowed

**\*\*NOTE: Tall Pines Irrigation will continue at twice per week**

## HOA Meeting Open Forum Rules for all Tall Pines HOA Meetings

Members attending are asked early in the meeting at the Announcements/Accomplishments to hold comments and questions until asked at the Open Forum near the end of the meeting.

When called upon, each person will have the floor for **up to three minutes** to voice their question or issue. Other members will **not** be allowed to interrupt.

### RESIDENTS COMPLAIN ABOUT ARMADILLO PROBLEM

These animals are digging 12-15" deep holes near foundations. This is serious because it may cause water to seep under the foundation and cause cracking.

Some residents are hiring trapping experts to remove the animals.

**RESIDENTS MAY ALSO FILL THESE HOLES WITH STONE OR CEMENT, OR A WATER FILLED BOTTLE SURROUNDED BY DIRT. CASTOR OIL IS SAID TO REPEL THE ANIMAL, SO YOU MAY PLACE A LINE OF IT ON THE GRASS BESIDE YOUR FOUNDATION.**

Many residents are complaining about numerous 4-5 inch holes being dug in their sod during the night. It is thought that armadillos digging for grubs are responsible for these holes.

Suggested treatment of the sod includes Cayenne Pepper available at dollar stores, and Scott's GRUB-X applied to dry grass and then watered.

**"PLEASE DO NOT DRIVE OR PARK ON THE GRASS"**

### **PLEASE ABIDE BY THE "NO PARKING ON THE GRASS SIGNS"**

There have been increased reports of cars parking on the grass, both in common areas and with-in yards.

Please know that our bylaws specifically state that there is to be no parking on the grass within the entire community.

We have a very old, fragile irrigation system which can be damaged by the weight of vehicles, additionally it damages the lawns.

IF YOU CHOOSE TO PARK ON THE GRASS, YOU RISK BEING TOWED! And the cost of a tow can run as much as \$500 out of your own pocket, so please do not park vehicles on the grass any where in the community!

**AMERI-TECH MANAGER FOR TALL PINES****Brett Newby****727-726-8000 X301****bnewby@ameritechmail.com****ELECTRICAL SERVICE**

**IMPORTANT!! YOUR HOME INSURANCE DECLARATION PAGE**

all homeowners are required keep in full force and effect at all times a full replacement value insurance policy.

The declaration pages must be sent to Ameri-Tech management company annually when you renew your policy. You can set it up with your insurance company to automatically email a copy to the management company.

**IF YOU HAVE NOT SUBMITTED A COPY OF YOUR HOMEOWNERS INSURANCE DECLARATION PAGE TO YOUR HOA, please send it in to BRETT NEWBY at [bnewby@ameritechmail.com](mailto:bnewby@ameritechmail.com)**

**ARE YOUR SPRINKLERS NOT WORKING?**

**Please report this immediately via the website contact form.**

We have received several requests recently where residents are stating that they feel they haven't had water for weeks or months, but no requests have been submitted.

We need these reported immediately so they can be put on the work list to be repaired. The best person to report this is the homeowner or resident who sees it every day. We rely on you reporting issues that you notice.

**CAT ISSUE****Check your community's rules!**

Some have a rule cats can only be indoors, others have a rule that any pet outside must be on a leash.

Please abide by this — if a pet roaming the community is reported as a nuisance, animal control will be contacted and the animal removed.

Several residents have complained about a black cat bothering their indoor cats and scratching up the screen. The cat owner will be responsible to fix a homeowner's screen.

Please keep cats indoors or on a leash.

Please keep your pet cats out of danger and keep them indoors.

**Call to Order:** Dawn Horvath, President, at 7:03PM.

**Board Members Present:** Bill Martin, Vice President and Treasurer; Dana Ringewald, Secretary; Maureen Johnson, Director and ARC. A quorum was reached. **Members Present:** Paula Morin, June Stanislaw.

**Property Manager Present:** Saile Alvarez for Parklane Real Estate Services.

**Proof of Notice:** Sign posted 48 hrs prior at Tall Pines entrance as required. Notice posted on calendar in the Hi Lites newsletter, on the Clubhouse bulletin board and on the Tall Pines Community Assn website.

**Secretary Report:** Bill moved to approve and waive reading of the Jan 14, 2026 minutes, Maureen seconded, all in favor.

**Treasurer Report:** Fiscal year began March 1, 2026. Bill presented the financial report as of April. Year to Date Income: \$14,357. Year to Date Expenses: \$15,540. Of note, 2025 Income Tax of \$1,871 was paid.

---

111,489 Total HOA Assets

Of note, three quad-buildings were reroofed, totaling \$108,315, which was paid from Roof Reserves.

**Allocation of Reserve Funds:**

\$ . 75,793 for Roofing

31,958. for Painting

---

**OLD BUSINESS:**

**Roofing:** In March and April, three quad-buildings were reroofed by Region Roofing with GAF 'Driftwood' shingles. HOA Roof Reserves covered the cost in full at \$36,105 per building. Much positive feedback was heard from owners who appreciated Graig's personalized response to questions and concerns throughout the project. Region has supplied a complete set of documents for the reroofing of each building, including the GAF warranty, enabling unit owners to file for a reduction on homeowners insurance premiums. Some owners elected to also obtain Wind Mitigation reports from Honest Eye Inspections to also file with their insurers for a separate, additional reduction.

The three additional quad-buildings are planned for reroofing over the next few years as each roof reaches 15yrs in age.

**Painting:** the HOA is beginning to solicit bids for painting 1) all six buildings and 2) proposals to paint only the most needed areas. Our Paint Reserves are likely insufficient for painting all six buildings at present. Bill will contact the previous painter. Dana will contact a recommended painter by a unit owner, as well as by Graig. All bids should include pressure washing beforehand and caulking. Any needed replacement of wood or repair of stucco is an obligation of the unit owner. Rotted wood was recently noted on the gray building. Question whether painters would do replacement of rotted wood and/or repair of stucco. If not, prior to painting, the Board will need to find additional contractor(s) for quotes. Costs would be estimated per unit, rather than individual owners having to find someone for their own small job. Dana will ask Graig for a recommendation.

**NEW BUSINESS:**

**Condition of lawns:** Saile from Parklane reported that our current pest control company, Southern will charge \$97 per building to preventatively spray for cinch bugs, although they have seen no evidence of them. All agreed that analysis is needed as the condition of our lawns is dismal in general, and in particular, there are blighted areas around three buildings with only dirt and weeds visible. If new sod is required, question whether a waiver from Pasco County water restrictions would be sufficient to water new sod during the drought. Saile will contact two new contractors for opinions. Dana will contact Eric, our landscaper, about for an opinion also.

**New Residents:** The estoppel required for closings on sales are prepared at the Parklane Crystal River home office. Saile to inform the Board every month of any new residents, in particular for Maureen who delivers the welcome packets.

**Architectural Review Committee.** Maureen reported one request for new windows at 7705 Rockville.

**Comments from Residents:**

Sidewalks to units are in bad condition. Pressure washing may not be permitted during drought. Consider a concrete seal. Board to put issue on Aug agenda.

Speeding on Millriver is a concern, per Paula. Speed bumps might slow traffic. Saile to provide information on do-it-yourself speed bumps sold by Amazon. Speeding should be addressed by Board of Tall Pines Community Assn since the roads are common property.

**Next Meeting:** Wednesday, Aug 12 at 7:00PM at Tall Pines Clubhouse.

**Adjournment:** Maureen moved to adjourn at 8:10PM. Bill seconded. All in favor.

Respectfully submitted,

Dana Ringewald, Secretary

## SHRUB OR HEDGE TRIMMING

Trimming of certain shrubs and hedges is done every month.

Since all sub-associations have not contracted with the same vendor, **the universal sign to let a company know that you do not want a trimming done, is to tie a red ribbon on it, cover it with a towel, or put up a "Do Not Trim" sign.**

## THE HI LITES ARE ALWAYS AVAILABLE TO YOU!
