

# The Tall Pines Hi Lites

## Volume 41, Issue 12 FEBRUARY 2026

*Happy Valentines Day!!!*

### THE TALL PINES ANNUAL MEETING PROXY FORMS, OWNER PROFILE FORM

#### **TALL PINES ANNUAL MEETING PACKETS WERE MAILED IN JANUARY.**

YOU MAY HAVE ENCOUNTERED MEMBERS OF THE TALL PINES HOA WHO VOLUNTEERED to go door to door to collect **Proxies** from those who may not, or will not attend the **FEBRUARY 19TH TALL PINES ANNUAL HOA MEETING.**

A late January e-mail blast made communities aware that the volunteers would start calling on owners. It is imperative that a QUORUM of owner's votes be received at the meeting, in order for the board to CONDUCT NECESSARY BUSINESS and ELECTIONS.

Please note that failure to obtain a quorum of the membership for an annual meeting results in mandatory rescheduling of the meeting, which comes at a large cost to the association in the form of remailing the annual meeting packet.

**NOTE \*\*PROXY FORMS ARE AVAILABLE IN THE CLUBHOUSE FOYER AND BRETT CAN EMAIL YOU A FORM** (see his email address to the right)

#### **OWNER PROFILE FORM**

Please FILL OUT THE OWNER PROFILE FORM, and CHECK THE BOX IF YOU WANT YOUR NAME, ADDRESS, PHONE & EMAIL ADDRESS INCLUDED IN THE 2026 TALL PINES OWNER'S DIRECTORY.

**\*\*You can bring this form to the Annual Meeting, mail it to Ameri-Tech in New Port Richey, put it in the drop-box outside the clubhouse front door OR give it to a volunteer collecting your proxy.**

#### **HOME OWNER'S INSURANCE DECLARATION PAGE**

**ALSO, PLEASE TURN IN A COPY OF YOUR CURRENT DECLARATION PAGE OF YOUR HOME OWNER'S INSURANCE, IF YOU AVE NOT DONE SO. TALL PINES HOA DOES NOT HAVE THIS FORM FROM ALL OWNERS, AND OUR DOCUMENTS REQUIRE THAT EVERY OWNER SUPPLY ONE TO THE MANAGEMENT COMPANY.**

### **A Wonderful Example of Community Volunteering!**

The landscaping in front of the left entry sign has been in need of attention!

**Terry Bell, Jim Davidson, Dave Antkowiak, Carolyn Mitrius and Lonnie Buresh** took on the labor-intensive project and it looks great! Credit due to Jill Bell, for coordinating yet another landscaping project! This project saved the HOA, labor charges and hauling cost to take waste to the dump. The estimate from a vendor to do this part of the \$4,000 job, was approximately \$1300, so **thank you to the volunteers who did this work!**

The Tall Pines Board of Directors has discussed planting sod or placing rocks in the prepared area, in addition to possibly installing some plants.

### **DID YOU KNOW? A REPRINTED ARTICLE FOR NEWER OWNERS**

**There are so many new Owners in Tall Pines, the Board thought reprinting this would be beneficial.**

Did you know that within Tall Pines, there are actually SIX separate HOA's? Tall Pines is your master association, and is responsible for things like common areas, roads, irrigation, funding electricity for street lights, etc. Tall Pines is also responsible for the neighborhood clubhouse. The clubhouse has a game room, which includes a pool table and other items. There is also a library full of books, puzzles and movies that any resident is welcome to borrow, as well as a computer that can be used by any resident and free WiFi. If you don't have a key, they can be purchased from Clubhouse Manager, Patrycja, for \$20. The clubhouse can also be rented, by homeowners only, for any type of event.

**There are 5 sub associations under the Tall Pines:**

**Hunt Ridge** consists of 139 single family homes on both ends of the Tall Pines community.

**Valley Wood** encompasses 92 side by side villas (23 quads) between Millriver Drive and LaQuinta Drive

**Ruxton Village** consists of 24 quad units in the first six buildings on the west side of the main entrance.

**Ruxton II** is made up of 48 quad units along the north side of Millriver Drive.

**Spring Lake** consists of a mix of different types of homes surrounding the main pond and gazebo. Spring Lake was originally the model homes area when Tall Pines was being built.

Each of these five sub associations is independent and has its own set of by-laws. They have a master declaration with deed restrictions and is incorporated with its own articles of incorporation. Additionally, they have an architectural committee, responsible for compliance with the community structural and environmental standards. You pay your Homeowners Association dues to your sub community, and they in turn pay a portion of it to Tall Pines Community Association to maintain the common areas of the community. More information can be found on the community web page at <https://tallpinesnpr.com>.

## TALL PINES COMMUNITY ASSOCIATION MONTHLY BOARD MEETING

**Location:** Tall Pines Clubhouse, 10930 Tall Pines Blvd., New Port Richey, FL 34654

**Meeting Date:** Thursday, January 15, 2026

**Call To Order:** 7:00 PM

**Pledge Of Allegiance:** Was held

**Roll Call:** **In Person** – Dave Antkowiak, Jill Bell, Patty Burke, Dawn Horvath, Charlie Kriss, Ann McQuade, Carolyn Mitrius, Judith Scott, and Ameri-Tech representative Andrew George (substituting for Brett Newby). **On Zoom** – Bruce Ganfield (joined part way through the meeting). **Absent** – None

**Proof Of Notice:** In Hi Lites, on website, and signs placed at Tall Pines entrances.

### Announcements:

1. Reminder to hold questions and comments until end of meeting.
2. We still need a volunteer to be backup editor and eventually take over Hi Lites. Very important to note that if we do not find a volunteer, we are at risk of not having a community newsletter at all. We have enough volunteers for delivery, and Sue will have a thank you note placed in the next edition.
3. If anyone would like to create other activities open to all residents (exercise class, etc.), please see Patrycja for clubhouse availability. As long as an event is open to the entire community, the clubhouse is free to use for owners of Tall Pines.
4. If you do not plan to attend the Annual Meeting, **PLEASE MAKE SURE YOU TURN IN YOUR PROXY!**
5. Proof of insurance is required of all homeowners per our association documents. Please ensure you submit a new version to the property manager each year. As an alternative, homeowners can contact their insurance company and have them send a copy directly, as an “additional insured.”

**Secretary’s Report:** Charlie made a motion to waive the reading of the previous month’s minutes, and that they be approved as published in Hi Lites, 2<sup>nd</sup> by Dave, all in favor, motion carried.

### Treasurer’s Report:

- Jill reported that for the month of December, we had income of \$22,617, operating expenses of \$12,896, reserve funding of \$6,271, for a net surplus of \$3,450.
- Year to date, we have a deficit of \$280.
- We have \$7,308 in our operating account, and \$585 in petty cash.
- Our total reserve funds are at \$434,419.
- Jill commented that we had \$1,675 in clubhouse rental income in December, and that our operating deficit for the year is primarily due to irrigation costs.

**Manager’s Report:** Andrew reported the following:

1. Financials were mailed on 1/13/26
2. Brett did weekly inspections on Tuesdays
3. Homeowner concerns were for irrigation, and pond/gazebo lights not working.
4. The annual budget for fiscal year 2026-2027 has been approved
5. Annual meeting draft has been sent to the board on 1/15/26
6. Annual meeting is 2/19/26, as well as the organizational meeting and if needed, a BOD meeting.
7. Annual meeting notice will be mailed on/after 1/20/26 and before 2/4/26, and will include emergency contact form and email consent form.

### Old Business:

**1. Status Of Baltusrol Flooding Issue Legal Issue** – Charlie reported that through December our legal expenses related to this issue are \$52,463.25, other expenses are \$11,531.39, for a total of \$63,994.64. On 1/14/26 Charlie received the first draft from our attorney of the three way easement agreement between Tall Pines, Gracewood, and the County. Following review/refinements between Charlie and our attorney, the

board will receive it for additional input before sending it to the County.

Charlie commented that we are taking a somewhat aggressive approach in the agreement, to include the County being responsible for maintaining the full length of the drain. He expects some pushback from the County.

## **2. Irrigation –**

Carolyn has been spending considerable time reviewing irrigation invoices and looking for ways to improve the service. There were only 4 resident complaints for the last month, so more and better inspection activity to find and fix problems before complaints result will continue to be emphasized, especially since each response by the irrigation vendor to a complaint results in a \$75 charge.

## **3. Hunt Ridge Request To Powerwash Sidewalks –**

Last month this was tabled to this month because we needed a third estimate that is “apples to apples” for price comparison, and a third estimate still has not been obtained. Since next month is the annual meeting, it was agreed that the board would wait until the March meeting to consider this request, assuming there will be a third estimate to compare prices on.

## **4. Price Increase For Clubhouse Rentals –**

Clubhouse Manager Patrycja has been working with the board on making changes that we need.

Following discussion, Judith made a motion to accept the new SOP, the new price structure and the new rental form, 2<sup>nd</sup> by Charlie, all in favor, motion carried.

Ameri-Tech will have the new documents placed on the website. The changes will go into effect immediately, except for renters already booked, and those that have made contact and are near commitment to renting a specific date and expecting the old rate.

## **5. Parking On Grass Issue –**

Residents parking on the grass continues to be a problem, and the board is making a firm reminder that vehicles can and will be towed for doing this, regardless of the time of day.

## **New Business:**

### **1. Fire Inspection On 1/6/26 –**

The fire inspector noted several violations, most of which were minor and have already been corrected. The main one which remains is the stove in the kitchen. In order to keep it, we would need a code compliant hood exhaust and fire suppression system.

Since the stove has been there for many years and this was never a violation previously, we will see if we can provide proof of previous inspections not showing this as a violation and possibly resulting in allowing it to be grandfathered in.

If we are not successful in doing that, we will likely remove the stove, since compliance is extremely expensive and not worth the investment. The stove is not used much anyway.

There will be a re-inspection in 30 days, at no charge. It is important that all violations are corrected, because a third inspection would cost \$75.

### **2. Calendar On TPCA Website, Patrycja Is Managing This –**

Patrycja is putting clubhouse rentals and other activities on the website, to keep residents more informed, availability of dates for new rentals, etc.

Sue will make note of this in Hi Lites, and Ameri-Tech will provide an email blast to residents as well.

**3. Timesheet For Maintenance** – Carolyn modified the form to allow more room for detailing work performed by Patrycja and Slawek.

**4. Pond Lights** – This may have already been resolved, since they appear to be working now.

### **5. HOA Decorum, Roberts Rules Of Order –**

The board packet included a simplified version of Roberts Rules Of Order, and discussion about whether we need to formally adopt them resulted in agreement that it isn't necessary.

However, it was agreed that board members would educate themselves on them, and that we would follow them as a general rule.

The main reason this came up is because of the negative conduct in the last meeting, so it was agreed that when the open forum section of our meetings occur, we need to firmly convey that concerns be expressed in a civil manner, and that residents are limited to three minutes to express their concerns.

## 6. Front Entrance –

Rocks were power washed last week. There was also a landscaping cleanup scheduled for 1/16/26 around the sign on the left side of the entrance, and at the time of the minutes being completed, this work has already been completed by board members and Tall Pines residents on a volunteer basis.

The estimate from a vendor to do this was approximately \$4,000, so thank you to the volunteers who did this work. We will also try to locate the vendor who previously worked on the signs, to address the sensitive way We will also try to locate the vendor who previously worked on the signs, to address the sensitive way that they need to be repaired and painted.

The future road widening construction, and the fact that we don't own the property that the left hand sign sits on are reasons we may not invest heavily on expensive landscaping for this area.

## 7. Signature Collections –

Annual Meeting on 2/19/26 is when proxies are counted, and several board members have volunteered to go door to door to increase proxy return numbers and insure we have a quorum.

Also, the meeting packet that has a **proxy form** will be mailed on/around 1/20/26 and will include **Owner Profile and Electronic Consent forms** that will aid in compiling information for a new Tall Pines community directory, and for increasing the number of homeowners who consent to receiving documents from our management company via email instead of via USPS.

More volunteers are needed to assist in this door to door effort, and they will have forms with them in case homeowners have misplaced or discarded the ones sent to them.

Ameri-Tech will update the email distribution list as the consent forms are received, which will save Tall Pines money by needing to send less packets through USPS.

## 8. Price Shop For Internet At Clubhouse –

Carolyn contacted Frontier and was quoted a monthly price substantially lower than what we are currently paying for internet service through Spectrum. Additional information is needed before we decide on making the switch or not, and Carolyn will report back on that at the March meeting.

## 9. Update Of Forms/Documents On The Website –

Jill has compiled a large list of these, which she is planning to do after our annual meeting when she has the time to do it.

## 10. Monitor TPCA Website –

Sue will include a note in Hi Lites that we need a volunteer from the community (doesn't need to be a board member) to periodically monitor the information on our website to check for errors, things that are missing, etc. This helps insure that the website information is accurate and comprehensive.

## Social Club Update: Jill reported the following activities/events and dates –

1. Movie night 1/30/26.
2. The Social Club purchased 3 new 6 foot tables for the clubhouse.
3. The Social Club made charity donations to 3 different non profit organizations.
4. Super Bowl party is 2/8/26 at 5:30 PM, which costs \$3 at the door and all are welcome. Hot dogs and beans will be provided, and someone will also be bringing a pot of chili. Bring your own snacks and drinks.
5. Social Club breakfast on 2/5/26 at 8:30 AM
6. Doo Wop party is 2/28/26 at 5:00 PM, cost is \$20. Food and entertainment provided, and tickets are available to purchase from Jill, Jerry, Laddy and Carol until 2/18/26.
7. St. Patrick Day party is 3/17/26 at 5:00 PM.
8. Community Garage Sale is 3/14/26, 8:00 AM to 2:00 PM.

## Walk On Topics From Board Members:

1. Jill received a homeowner request for Tall Pines to replace bushes that are dying and which border homeowner and Tall Pines lot lines. There was considerable discussion on this topic, and Charlie made a motion that in the circumstances where bushes are being replaced which lie on the property line between the homeowner and Tall Pines, we will pay 50% of the cost of the bushes and installation, up to a maximum of \$300. Prior to the work, the owner needs to submit to Tall Pines the approval document from their sub-association Architectural Committee, and this project is to replace existing dead bushes or for dead bushes that have not been removed more than 3 months prior to this request. **THE MOTION DID NOT RECEIVE A 2ND, AND IT WAS AGREED THAT THIS ITEM WILL BE TABLED UNTIL THE MARCH MEETING.**
2. Charlie asked Andrew the status of board members needing to take continuing education courses, and he said that he will know more on that in a month or so.

3. Dawn asked Andrew about website compliance issues, and he provided information explaining what will need to be done to stay in compliance.
4. Jill brought up the continuing problem of people not picking up after their dog droppings, so **PLEASE PICK UP AFTER YOUR DOG, AND KEEP THEM OFF OTHER RESIDENTS' LAWNS.** Another note will go in Hi Lites about dog droppings.
5. Bruce brought up a problem they are having in Spring Lake with a cat. Andrew suggested that Spring Lake send a letter to the homeowner to deal with that situation.

#### **Resident Comments Or Concerns:**

1. Patrycja suggested we have proxy copies available at the clubhouse, and Dawn asked Sue on zoom to put that information in Hi Lites. Andrew added that Brett can email the proxy to those who request it as well. He also said that the full annual meeting packet documents will be on the website.
2. A resident asked about the cost of replacing our roads, and Ameri-Tech will try to get an updated estimate for that. She also asked if she can get detailed information on what we spend money on, and Andrew said she just needs to make a formal request. She also asked about road sealing, which was previously done in 2021. Andrew indicated it is normally good for about 7 years, but varies somewhat.
3. On zoom, Sue asked what would Tall Pines do in cases where bushes die if/after Tall Pines helps through the policy being considered, and the board indicated that in the event that this would pass at a future meeting, the \$300 fee would be a total for the project, regardless if the new bushes die prematurely.
4. Patrycja asked for clarification on what the \$300 fee would cover for bushes, and it was reinforced that it would be provided at 50% of the total amount of the total project, up to the \$300 limit. Total project costs would include the cost of removal of old bushes, the cost of new bushes, and the cost of installation of new bushes.

**Next Meeting Date:** Annual Meeting On 2/19/26

**Adjournment:** Patty made a motion to adjourn the meeting, 2<sup>nd</sup> by Charlie, all in favor, motion carried.

### **PARKING ON THE GRASS — NEW SIGNS HAVE BEEN**

**INSTALLED** There have been increased reports of cars parking on the grass, both in common areas and with-in yards.

Please know that *our bylaws specifically state that there is to be no parking on the grass within the entire community.*

We have a very old, fragile irrigation system which can be damaged by the weight of vehicles, additionally it damages the lawns.

IF YOU CHOOSE TO PARK ON THE GRASS, YOU RISK BEING TOWED! And the cost of a tow can run as much as \$500 out of your own pocket, so please do not park vehicles on the grass anywhere in the community!

**"PLEASE DO NOT  
DRIVE  
OR PARK ON  
THE GRASS"**

### **HI LITES NEWS – FUTURE EDITOR NEEDED**

As many of you know, Sue MacQueen has been our Hi Lites Newsletter editor for most of the past nine years. What started out as a shared responsibility with another resident to co-edit quickly fell to just Sue when the other resident became ill. So Sue jumped in with both feet, became proficient in the software and has been producing this newsletter nearly every month. Surely we can all agree, she has done a fabulous job in making sure that the community gets the important news it needs to know. However, Sue would like someone to step up and volunteer to learn the Editor function so that she can eventually pass the torch.

Microsoft Publisher is used to create the newsletter, and Tall Pines pays for the license so there will be no cost to the volunteer. If you are interested in volunteering to learn this and eventually take over, please contact either Sue MacQueen or Dawn Horvath.

If you are interested and have questions about all that this volunteer position entails, please contact Sue directly for more information. See front page for email address.

## HI LITES NEWS FROM THE BOARD

**Our long time Hi Lites printer has moved his business to Homosassa.** We have restarted home delivery, and until June and **this will necessitate the printed version of the newsletter to be shipped to us.**

Because of this, the paper may not always be delivered to homes on the first of each month as it has in the past. **HOA'S ARE ASKED TO PLEASE HAVE YOUR MINUTES SENT IN ASAP EACH MONTH!**

Please watch for email blasts from Ameri-Tech noting important activities during that first week.

If you are not already receiving these email blasts, please reach out to Ameri-Tech. Don't miss information!

### TRASH & RECYCLE PICKUP INFORMATION:

Welcome: Nothing

### Old Business

- Roof project is still in the works as some buildings in the next few years will need to be replaced. Last time the roofs were done it was a 4 year project. Five buildings were done first, then 8 buildings and then 5 and then last 5. More to come on this.

### New Business

-Review new budget, monthly HOA fee will be \$241. Dennis went through each line item and it was discussed with the membership:

The monthly HOA fee is going up \$37.00 to \$241.00. There are 14 expense line items, of which 11 have not changed or have changed by their historical amounts. The other 3 line items are:

1. Master Association (Tall Pines): \$14.00 increase. Irrigation, legal and insurance are the main large expenses.
2. Taxes: \$3.84 is a new budget item. Yes, this is a new line item expense to be budgeted for. This is needed in order to cover the tax liability from the interest we are earning with our reserves. The past two years we have not budgeted for this but have been able to cover it with the balance in our checking account. This year I'm projecting \$16,000.00 of interest, resulting in over \$4,200.00 in tax liability. The \$16,000.00 of interest equates to \$14.50 per month for each owner, if they were contributing to this. The tax liability of \$4,200 equates to the \$3.84 per month for each owner, resulting in this new budget expense amount.

**3. Roof Reserve:** \$16.50 increase. This increase is based off a 15 year roof replacement projection that was done in early 2025. If we do not do this increase then the projection shows there will be special assessments, plus additional costs to the HOA for simply setting up these special assessments. I also feel, as we learned in the latest education seminar from Dan Greenberg, that as a director and a fiduciary it is my responsibility to budget accordingly for known expenses.

- Motion made on the budget for March 2026 through February 2027. Motion by Jill 2nd by Betty, all in favor, motion carried.

- Walk around violations will be sent. Can they be sent by email? They can be sent by email but follow up with a letter especially if this is a violation

- **Annual meeting Tuesday Feb. 17th 7 pm.** Please drop proxies in drop box at clubhouse entrance or if you need someone to pick your proxy up, please let a board member now. It is important. Also, updated pet forms and insurance forms. If you need assistance with any of this, please let me know.

- **Paint committee update:** Laura asked the question on how soon we need paint color choices and consensus is we are not in a hurry for that. 2018 was the last time painted and we usually paint every 8-9 years. Color will depend on siding and other factors which the paint committee will factor in when choosing color options. More to follow on this information

#### **Open Forum:**

Diane stated no more information about Decubellis and widening to 4 lanes. She suggested that anyone can attend the meeting when it is scheduled.

**Next Meeting: Tuesday February 17, 2026 7 pm at Tall Pines Clubhouse**

## SHRUB OR HEDGE TRIMMING

Trimming of certain shrubs and hedges is done every month.

Since all sub-associations have not contracted with the same vendor, **the universal sign to let a company know that you do not want a trimming done, is to tie a red ribbon on it, cover it with a towel, or put up a "Do Not Trim" sign.**

**Treasurer Report:** Bill reported HOA is right on budget. Year to date income on CD's was \$7,000. Current rates are lower at 4.46%. .

**New Business:**

Budget March 1, 2026 to Feb 28, 2027:

Proposed 2026 - 2027 budget was presented by Dawn. It proposed income of \$78,912 with expenses of \$78,912.

The budget also indicated a proposed increase in monthly dues per unit from \$230.00 monthly to \$274.00 monthly beginning March 1, 2026.

To account for major items that increased the monthly per unit:

\$20. for Roof Reserves for reroofing project

\$14. for Tall Pines Community Assn

In addition, monthly costs to Ruxton Village HOA for lawn service, trash and property management services all accounted for small increases.

There being no objections, Dana moved to approve the budget for March 1, 2026 - Feb 28, 2027. Maureen seconded. All approved.

**Roofing Project:**

Samples of shingles were discussed, mindful of Region's advice that the lighter the roof, the cooler the attic. Preference was for Driftwood or Golden Harvest. Email choice to Dawn.

**Painting:**

Question was raised about needed painting of wood trim on some quad buildings considering the painting project for all buildings won't be funded from reserves for a year or two. Proposal was considered to hire a painter for those worn boards to buy time until funding is available. Board agreed to solicit painting bids for the areas with immediate needs, as well as for the future entire project. Jacky Besio will be asked to recommend contractors.

**Next Meeting:** Ruxton Village HOA **Annual Meeting: Wednesday, Feb 11, 2026.**

**Adjournment:** Maureen moved to adjourn the meeting at 8:30p.m. Bill seconded, all in favor.

Respectfully submitted, Dana Ringewald, Secretary
